Terms & Conditions:

1. This agreement valid for furnaces and boilers under 250,000 BTUs and/or air conditioning 5 tons or under.
2. Lamprey Brothers shall in no event be liable for damage or loss caused by delay or any loss arising out of the performance of this agreement.
3. Lamprey Brothers reserves the right to inspect and approve any and all heating systems and air conditioning and all components prior to acceptance of this plan. Lamprey Brothers may reject any heating system and air conditioning for coverage under this plan at its discretion.
4. Service will be rendered under this agreement as long as the account remains in good standing and on automatic delivery.
5. The agreement will remain in effect for one year from established date and shall renew automatically on the subsequent anniversary date.
6. Lamprey Brothers reserves the right to modify price and/or other terms and conditions.
7. This agreement is understood to have no refund value. However, with Lamprey Brothers' approval, this agreement may be transferred to a new homeowner.
8. Enrollment in the TankSure® Program is contingent upon the customer's tank passing an initial ultrasonic test and visual inspection. This program's coverage is for above ground oil tank, up to 330 gallons.
9. If in the unlikely event, the oil tank does not qualify for the program, the homeowner is responsible for any and all costs associated with the oil tank.
10. The TankSure® Program does not cover environmental clean up, property damage, or other damages or losses caused by an oil leak. The TankSure® Program does not include the oil tank accessories, such as: vent & fill pipes, oil lines, vent alarm and oil legs.
11. If the tank does not pass inspection, your account will be credited for the amount of the TankSure® Program, at the prevailing rate at the time.

Not Covered Under this Agreement:

- Any damage caused from failed equipment, accident, oil leaks, water leaks, fire, flood, freezing, power failure or any act of God.
